

CONGRATULATIONS

On behalf of the People of Atlanta, I commend

The International Museum of Twenty-first Century Art (TIMOTCA)

a nonprofit, educational and charitable organization dedicated to greater peace and cultural understanding through the universal language of art. Great cities and great cultural institutions produce great art. And since its inception, TIMOTCA has sought to celebrate the universal nature of great art through its "Arts Beyond Borders" exhibit. This initiative, showcasing the art of some of the world's most renowned living artists from over 60 different countries, demonstrates TIMOTCA's profound commitment to enriching all of our lives through art; for that, we are grateful for all you contribute to our worldwide community. On behalf of the City of Atlanta, I am proud to salute and celebrate you.
